Before You Begin

Keep phonics short, clear and playful.

Say the sound, not only the letter name

Use a short, clean sound: /s/ rather than 'suh' and /t/ rather than 'tuh'.

For a, use the short sound in apple. For i, use the short sound in insect.

Let your child repeat the sound, find the picture and trace the letter.

LOOK

- Name the picture.
- Notice its first sound.

SAY

- Stretch the first sound.
- Let your child copy you.

PLAY

- Point, match and sort.
- Stop while it is still fun.
