Numbers 1-10 Activity Pack

Playful counting and number practice for little learners

AGES 3-5

Before You Begin

Help your child connect each number to a real quantity.

Touch and count one object at a time

Ask your child to point to each object while saying the numbers in order.

After counting, ask: 'How many altogether?' and let them answer.

Use small toys, buttons or snacks to repeat the activities away from the page.

LOOK

- Notice the number.
- Name it together.

COUNT

- Touch every object once.
- Say each number slowly.

CONNECT

- Match number to amount.
- Practise in daily life.

Skills in this pack

-  Recognising numerals 1-10
-  Counting with one-to-one correspondence
-  Understanding how many
-  Using simple ten frames

Count slowly and stop while your child is still enjoying it.

For personal and classroom use.
