Shapes & Colours Activity Pack

Playful matching and sorting for little learners

AGES 3-5

Before You Begin

Name what you see, then look for the same shape or colour.

Use everyday objects to make it meaningful

Find circles on plates, squares on blocks and rectangles on books.

Look for colours in clothing, toys, food and things outdoors.

Let your child point, name, trace, sort and explain what they notice.

LOOK

- Notice its sides or curves.
- Name the colour.

MATCH

- Find one that is the same.
- Say why it matches.

PLAY

- Sort toys and objects.
- Keep activities short.

Included in this pack

8 shapes: circle, square, triangle, rectangle, oval, diamond, star and heart

10 colours: red, orange, yellow, green, blue, purple, pink, brown, black and white

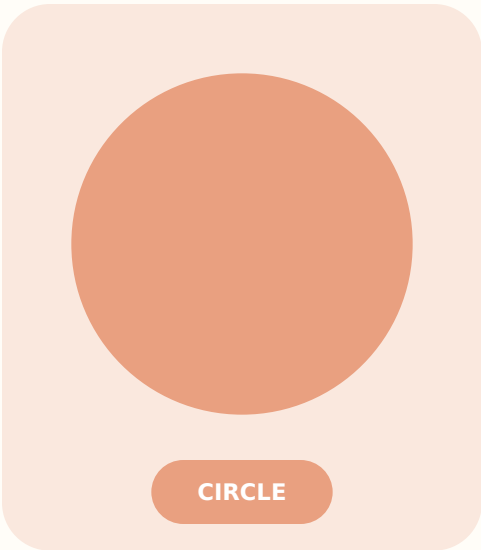

There is no need to complete the whole pack at once.

For personal and classroom use.
